Changes for 2016-2017

As most of you know we have a new Rulebook in 2016-2017. A new Rulebook brings many changes. I strongly advise you to read through your Rulebook and become familiar with the changes. If you have any questions don’t hesitate to contact the Office. I know a lot of people ask for insight on Social Media but the answers you receive are not reliable. For the most accurate and up to date information contact the Office.

Sincerely,

Jed Lawrence

Check out the New Classes for 2016: Cow Catching & Ranchmanship

**Cow Catching** is a timed event where one cow will be turned into the arena, when either the cow or exhibitor crosses the timeline the exhibitor will have two (2) loops or 30 seconds to rope the cow. Full class explanation can be found on page 103 in your Rulebook.

**Ranchmanship** – This is a combination class of Ranch Riding, Ranch Reining, and Ranch Trail. We have set up 4 patterns to choose from. This class was designed to highlight an all around horse with quality of movement and the horsemanship skills of the exhibitor in mind.

For a complete class description please review pages 61-63 in your 2016-2017 Rulebook.

The Bureau of Land Management (BLM) is excited to join up with the ARHA and be a part of the 2016 World Show! The Mustang Breed provides a loyal and durable mount for any ranching need and can be adopted or purchased from multiple locations available nationwide. Don't forget the burros too! Burros make wonderful companion animals and provide a great predator protection service.

The BLM protects and manages America’s wild horses and burros under the authority of the Wild Free-Roaming Horses and Burros Act of 1971 to ensure that healthy herds thrive on healthy public lands. The BLM’s goal is for wild horse and burro herd populations to be consistent with the land’s capacity to support them and for wild horses and burros to thrive in balance with other public land uses and resources, including vegetation and wildlife. When populations are out of balance, the excess animals are removed and prepared for placement into private care.

To learn more about the BLM’s Wild Horse and Burro Program, visit blm.gov/whb or call 866-468-7826.
